A scenic view of a savanna landscape. In the foreground, two elephants are walking through tall, golden-brown grass. Behind them, a lodge with three buildings and thatched roofs is nestled among green trees. In the background, a rocky hill with more trees rises under a clear blue sky.

# FEEL AT HOME IN THE SERENGETI

RELAX IN CONTEMPORARY AFRICAN STYLE

All with private, open-air viewing decks, our 77 guest rooms, suites and villas blend authentic African character with the modern comforts of air conditioning and high-speed Internet access. Savannah Rooms on the ground floor offer direct views of the plains, while Horizon Rooms on the upper floor provide a wider panorama. One-bedroom Terrace Suites add a spacious sitting room, infinity-edge plunge pool and outdoor shower.

The ultimate way to share the Serengeti with family or friends, our five ultra-private villas are complete homes, each with an infinity-edge pool, full kitchen, living room and 24-hour butler service, if desired. Spread out in style with our One- and Two-Bedroom Villas, or indulge in our grand three-bedroom Presidential Villa, overlooking its own watering hole for exclusive wildlife viewing.

A wide-angle photograph of a sophisticated outdoor lounge area during the golden hour of sunset. The scene is set on a dark wooden deck that overlooks a large, calm swimming pool. The pool's surface reflects the bright, low sun, which is positioned high in the sky, creating a warm, orange glow across the entire scene. In the background, a vast savanna landscape stretches out, dotted with acacia trees and leading to distant, rolling hills. The lounge area is furnished with several large, dark-framed sofas and armchairs, each adorned with patterned and solid-colored cushions. Low, dark wooden coffee tables are interspersed among the seating. Numerous white patio umbrellas are open, providing shade. Small, blue lanterns are placed on the deck and on the furniture, adding to the ambient lighting. A person, seen from behind, stands in the lower center of the frame, looking out over the pool and the horizon. The overall atmosphere is one of tranquility and luxury.
