KENSINGTON • LONDON

STAY, SLEEP AND DINE

Discretely settled on one of London's historic tree-lined avenues, the hotel is a clever combination of Georgian proportion, with high ceilings and decorative plasterwork, alongside imaginatively chosen contemporary works of art and interior styling.

Rydges Kensington is just a minute's walk from Gloucester road tube station and only 13 miles from Heathrow airport. It's surrounded by some of London's finest bars, restaurants and cafes and just a short stroll to Hyde Park, Natural History Museum and Knightsbridge shopping district.
